## THIS IS A REFERENCE GUIDE ONLY

The life jacket owner is solely responsible for their own safety. Carefully go through the steps to find the correct re-arming kit and components for your inflatable life jacket. Always refer to your owner's manual, inspect the components and test your life jacket regularly to ensure that you know how to use it properly. **To learn how to test your life jacket, see page 28.**

## THIS IS A REFERENCE GUIDE ONLY

The life jacket owner is solely responsible for their own safety. Carefully go through the steps to find the correct re-arming kit and components for your inflatable life jacket. Always refer to your owner's manual, inspect the components and test your life jacket regularly to ensure that you know how to use it properly. **To learn how to test your life jacket, see page 28.**

## THIS IS A REFERENCE GUIDE ONLY

The life jacket owner is solely responsible for their own safety. Carefully go through the steps to find the correct re-arming kit and components for your inflatable life jacket. Always refer to your owner's manual, inspect the components and test your life jacket regularly to ensure that you know how to use it properly. **To learn how to test your life jacket, see page 28.**

Need More Help? Give us a call. We are here to help.

*Taking a dip is  
different than being  
chucked out of a boat*

*Insist on Leland's  
Maxium Inflation Brand  
CO<sup>2</sup> Cartridges*

# 1. PLACE STICKER ON JACKET

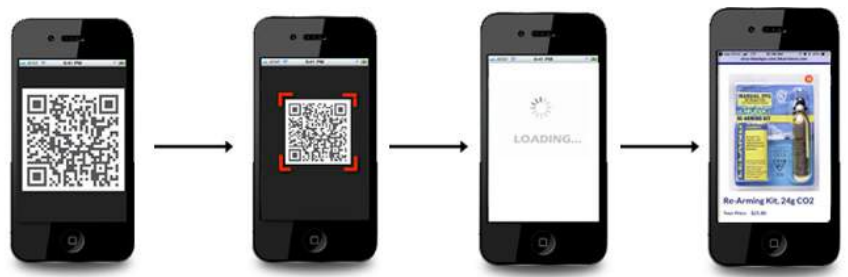

Each re-arming kit comes with a waterproof QR sticker. Place it on the inside label of your life jacket and scan the code with your phone for easy future purchases. *(see below)*

# 2. SCAN WITH PHONE APP

Simply scan the QR code with any free QR code scanning app. You'll be lead directly to your re-arming kit in the shopping cart.

# SUPPLYING THE FIGHTING FORCES FOR GENERATIONS

Leland places reliable CO<sub>2</sub> cylinders in life jackets around the world every day.
